How the Government uses your data

Operational uses

When you were present your data was accessed
6 times by 3 different services

Service
Jobcentre Plus
Month: October
Amount of times your data was accessed, in your presence

When you weren’t present your data was accessed
12 times by 4 different services

Research undertaken using your data

Your data is distributed as part of a variety of datasets. Academics and researchers use them to try and learn more about all aspects of our society. The research below may have been conducted in any of the last several years, on any event since the dataset was collected. You may have been included to examine differences against the general population from those at the focus of the study.

Data relating to your use of items marked * will have been sent to ONS for the production of Official and National Statistics.

Requests for Statistics

ONS Longitudinal Study
National Pupil Database
