

## Health and Social Care Information Centre

### Board Meeting

### Public Session

Title of Paper:	HSCIC Cyber Security Programme Update
Board meeting date:	03 September 2014
Agenda Item No:	HSCIC 14 06 05 (PS) b
Paper presented by:	Rob Shaw, Director of Operations & Technical Services
Paper prepared by:	James Wood, Head of Infrastructure Security
Paper approved by (Sponsor Director)	Rob Shaw, Director of Operations & Technical Services
Purpose of the paper:	Provide an update of current position of the Cyber Security Programme.
Risks and Issues:	There are three risks around resourcing, procurement and testing, which are being actively managed and are reducing or stable.
Patient/Public Interest:	In line with corporate objectives, the aim of the Cyber Security Programme is to promote trust through secure and interoperable services to ensure that we sustain the citizen's trust that their data is being collected, stored and used, safely and appropriately.
Actions required by the Board:	To note progress – for information.
