### Board Meeting

#### Part 1 - Public Session

Title of Paper:	The HSCIC's strategy 2015 – 2020
Board meeting date:	28 January 2015
Agenda Item No:	HSCIC 15 08 06 (a)
Paper presented by:	Andy Williams, CEO
Paper prepared by:	Linda Whalley, Assistant Director for Strategy and Policy
Paper approved by: (Sponsor Director)	Andy Williams, CEO
Purpose of the paper:	To update the Board on the first draft of the HSCICs strategy for 2015 – 2020
Risks and Issues:	<p>Our new strategy will set out how we plan to consolidate and build on our reputation. It will build on the commitments included in the National Information Board's Framework for Action, and must also signal how we will support our national ALB partners in delivering their objectives.</p> <p>At this stage, we have not fully assessed the implications for funding and staffing resources – this is being addressed in the more detailed business plans</p>
Patient/Public Interest:	The strategy is key to our corporate reputation and public reputation
Actions required by the Board:	The Board is asked to note this update
