**Public Session**

Title of Paper:	Accredited Safe Haven Arrangements
Board meeting date:	4 December 2013
Agenda Item No:	13 11 04 (e)
Paper presented by:	Clare Sanderson
Paper prepared by:	Clare Sanderson
Paper approved by (Sponsor Director)	Clare Sanderson
Purpose of the paper:	<p>The definition of Accredited Safe Havens rests with the IG subgroup of the Informatics Services Commissioning Group. However, as the HSCIC will be required to share data with Accredited Safe Havens (ASHs) once they have been defined and established it is in this organization's interest that the controls are sufficient.</p> <p>This paper is intended to further inform the debate and allow the HSCIC board to comment on progress being made.</p>
Actions required by the Board:	To provide comment on the proposals and approval for this paper to be shared with the IG subgroup of the Informatics Services Commissioning Group.
