Title of Paper:	Health Survey for England – HSE2016-19: Approval to Procure
Board meeting date:	March 5 <sup>th</sup> 2014
Agenda Item No:	HSCIC 13 14 04 (f)
Paper presented by:	Max Jones
Paper prepared by:	Bethan Thomas, Steve Webster, Julie Stroud
Paper approved by (Sponsor Director)	Max Jones
Purpose of the paper:	<p>To gain Board approval for the reprocurement of the Health Survey for England (HSE) 2016-19.</p> <p>The board considered the paper at the board meeting on February 5<sup>th</sup> and requested that further information was provided before they make a decision. The additional information relates to:</p> <ul style="list-style-type: none"> <li>• The support of the Steering Group of the preferred approach (paragraph 5)</li> <li>• The annual requirements for a HSE (paragraphs 2.1 and 3.2)</li> <li>• Termination clause for the HSE (paragraph 4)</li> <li>• More information on options (section 4)</li> </ul>
Patient/Public Interest:	<p>HSE is widely used by a wide range of customers including DH, PHE, NHSE, local authorities, academia, charities, private companies and international bodies.</p> <p>Examples of data from the HSE being used in Government include:</p> <ul style="list-style-type: none"> <li>• Used as a component in the formula</li> </ul>

	<p>allocating public health grants from DH to each upper-tier and unitary local authority.</p> <ul style="list-style-type: none"> <li>• HSE is the data source for part of the subjective wellbeing indicator in the Public Health Outcomes Framework, giving a national figure for mental wellbeing.</li> <li>• Levels of undiagnosed kidney disease are significantly higher than the official diagnosed levels. This issue, highlighted to government, inspired action to tackle this problem.</li> </ul> <p>Examples of data from the HSE being used in public facing campaigns include:</p> <ul style="list-style-type: none"> <li>• 16 million adults in the UK have high blood pressure, yet a third (5.3 million) are unaware of this.</li> <li>• Excess calorie intake by the population which was then used to set a target in the Department of Health's Public Health Responsibility Deal.</li> <li>• 75% of all people aged 65+ struggle to cross the road in time on the current green-man times</li> </ul>
<p>Actions required by the Board:</p>	<p>Approval to proceed with procurement of HSE for 2016-19 on the basis of either Option 3 or Option 1.</p>
